

San DiegoCounty's Fall School Directory

This issue focuses on education!

Includes articles which help families navigate the education experience from early learning to the college send off.

Parents are looking for education options and services: **preschools, private schools, charter schools, homeschooling, tutors, special education, colleges, adult education programs** and more!

*Advertisers in the eduction category
receive a FREE 50-word write-up in the
online School Directory*

Purchase a 1/6 page or larger ad, send up to 50 words of editorial about your school, and we will place it in the online school directory guide.
