DREAMWORKS HOW TO TRAIN YOUR DRAGON

THE STORY

On the rugged isle of Berk, where Vikings and dragons have been bitter enemies for generations, Hiccup stands apart. The inventive yet overlooked son of Chief Stoick the Vast, Hiccup defies centuries of tradition when he befriends Toothless, a feared Night Fury dragon. Their unlikely bond reveals the true nature of dragons, challenging the very foundations of Viking society.

With the fierce and ambitious Astrid and the village's quirky blacksmith Gobber by his side, Hiccup confronts a world torn by fear and misunderstanding.

As an ancient threat emerges, endangering both Vikings and dragons, Hiccup's friendship with Toothless becomes the key to forging a new future. Together, they must navigate the delicate path toward peace, soaring beyond the boundaries of their worlds and redefining what it means to be a hero and a leader.

TIC-TAC-TOE

With the help of a parent or guardian, cut out the tokens. Choose either Hiccup or Toothless, and then give your opponent the second character. Taking turns, place one of your character tokens on an empty space on the board. The first player to place three of their character tokens in a row wins.
