

You've been BOO'd!

It's surely been a scary year,
That's why we're spreading Halloween cheer!
Secret friends have left a treat
For an awesome family who can't be beat.
Everyone's spirits need a lift,
Please join the fun and leave a gift
For your neighbor or a friend;
Keep it going—don't let it end!
You have two days to ring their bell,
Keep it secret—don't you tell!

Happy Halloween!

1. Make two copies of each page.
2. Place the "We've been BOO'd" sign on your door or front window (so others know you've already been BOO'd).
3. Within two days, do a "doorbell ditch" with treats (or a themed gift) and one copy of both pages to two different neighbors who haven't been BOO'd yet.
4. Have fun and don't get caught!
