

February

San Diego County's Spring School Directory

This issue focuses on Education!
Includes articles which help families navigate the education experience from early learning to the college send off.

Parents are looking for education options and services: Preschools, private schools, charter schools, homeschooling, tutors, special education, colleges, adult education programs and more!

Advertisers in the education category receive a FREE 50-word write-up in the online School Directory

Purchase a 1/6 page or larger ad, send up to 50 words of editorial about your school, and we will place it in the online school directory guide.

To submit your editorial: Go to www.SanDiegoFamily.com, under Advertising (at the bottom of the page) select Advertisers' Corner, then look for February offers.

If editorial is not received by 5 p.m. on Jan. 12, we will place your company name, area, phone & Web address in the FREE listing.

Submit editorial by
January 10.
